

SEPTEMBER 2020 CHALLENGE

Harvest Top

Use the free pattern from Peppermint Magazine or use your own pattern. Experiment with colour blocking, re-orienting prints or creating layers. Creativity is always welcome, so feel free to jazz it up....or keep it simple like the pattern, which is suitable for beginners.

[Click here](#) to get the **Boxy (Harvest) Top** pattern. It's free but you will have the option to make a small donation. Peppermint Magazine is small independent business hit by the COVID-19 pandemic. Let's support them through this crisis.

NOTE: The pattern size range is 8 to 16 (36 to 44). If you don't fit into this range, you can choose a similar pattern or make your own. Below is a line drawing of both front and back view.

There will be a photo album on the website where you can post and view pictures of the finished garments.

Anyone can enter the challenge but only ASG members will be eligible for the prize. The winner will be selected by random draw from the photos.

Be in it to win it!
