AUTUMN SEWING CELEBRATION

Brooke McHiggins

Sewing Vintage, Retro and Repro - A Look at Modern Vintage Sewing

Vintage is for everyone! Brooke's presentation will focus on giving people confidence in tackling vintage patterns and playing with elements of retro style. She will discuss places to look for vintage inspiration and consider some vintage pattern instructions from different decades. Brooke's aim in the presentation is to show that a vintage look is quite achievable and can be as dramatic or subtle as desired.

Brooke cannot remember a time when she hasn't sewn, and she has always enjoyed the fashions of yesteryear. But, since discovering the online sewing community, her love for the craft has only deepened as she found the sewing and vintage communities online very inspiring. She loves bright florals and vintage patterns and loves to share what it's like living in Outback Australia. Brooke is a VW Kombi enthusiast ("Tango" a 1975 VW Kombi T2) and also an avid reader.
