

You're invited to ASG's online event

AUTUMN SEWING CELEBRATION

Draft T Studio - Trish Hargrave

Create Custom Fit Block Patterns in Minutes

The presentation will provide an introduction to **The Pattern Drafter** ruler with a brief tour of the features of the ruler, the use of simple measurements and a demonstration of the drawing of a front dress block.

Also demonstrated will be the key moments of drawing all the block patterns – dress front and back, sleeve, pants front and back, collar and the simplicity of using the ruler to achieve all the blocks accurately, easily and quickly. **Previous drafting experience is not required.**

Trish has been sewing and creating her own patterns since the age of 10. She has been passionate about dressmaking ever since, particularly in finding ways to achieve a beautiful fit. Trish found commercial patterns never fitted her as, like most of us, she has different size top and bottom.

Trish developed her skills and experience in dressmaking, fabric and fit when she opened and operated an end-of-roll fashion designer fabric retail store, Ruche Fabrics in Tasmania. It was during that time that Maria Boncaldo from The Pattern Drafter conducted a workshop in her store and Trish discovered the secret to simplicity and accuracy in pattern drafting. She is now a passionate advocate of the tool.

As an endorsed Ambassador for The Pattern Drafter, trained and licenced to conduct face-to-face workshops and create/produce online workshops for The Pattern Drafter, Trish operates as **Draft T Studio** and has embraced the opportunity to offer online workshops.
